

CAR PARK FIRE GRAYS LAKESIDE - ESSEX

BRIDGEHILL

13TH SEPTEMBER 2019

A moving car caught fire in Lakeside multi-story car park, in Grays, Essex. The family managed to escape unharmed from the blaze, with one member being treated for smoke inhalation. Follow the incident by clicking the link below.

The fire spread to other parked vehicles and 7 of them were destroyed. The carpark itself sustained smoke and fire damage. Three fire crews from the Essex County Fire and Rescue Service were sent to the scene and they extinguished the fire within 50 minutes.

The cause of the fire has been recorded as accidental.

Thick black smoke could be seen billowing out from the top of the Shopping Centre Car Park. The **Bridgehill Vehicle Fire Blanket** contains smoke, fumes and heat and controls the fire within seconds.

NO WATER - NO FOAM - NO MESS

We recommend Bridgehill Fire Blankets be placed strategically throughout Carparks as part of their Fire Prevention Plan.
