

LAND ROVER FIRE – LONDON

2ND OCTOBER 2019  BRIDGEHILL

On 2nd October 2019 a fire broke out at a Land Rover Dealership in London. Footage from the scene shows firefighters battling to get the fire under control, and the extent of the smoke and fumes. <https://www.msn.com/en-gb/video/other/fire-breaks-out-at-land-rover-dealership-in-london/vp-AAI9Vbe>

40 firefighters and 6 fire engines tackled the car fire that took over an hour to put out. Two people were hospitalised and treated for smoke inhalation. The chaos also caused huge rush hour tailbacks in the area.

In the end 4 Land Rovers were destroyed and many more were damaged by flames or smoke - that is more than one million pounds worth of luxury vehicles.
