WE SIMPLY BLOCK FIRE

The video link shows a car fire in an Audi Dealership in Finglas, North Dublin on the 13<sup>th</sup> of January 2020. It took four Dublin Fire Brigades to extinguish the fire, and the heavy smoke could be seen from the M50. Early use of the **Bridgehill Car Fire Blanket** would stop the spread of smoke, fumes and fire, thus reducing the amount of damage to other vehicles and the premises.
